FOSTER HOMES - ORPHANAGES - VULNERABLE FAMILIES WITH SMALL CHILDREN - OLD AGE HOMES

Helping Western Cape assists vulnerable families with small children, foster homes, orphanages and old aged homes by:

- ❖ Providing them with a lifeline in the form of food parcels, clothing, blankets, toiletries and other basic necessities.
- ❖ Running soup kitchens in the community in the winter months for the many vulnerable families that we are not able to support on a monthly basis.
- ❖ For those who are willing to help themselves we provide assistance in finding employment.
- ❖ Helping Western Cape is a welfare organization, registered with the Department of Social Development in terms of the Non-Profit Organisation Act (Act 71 of 1997) and relies solely on donations. Your support will make the difference to the vulnerable destitute families with small children, foster homes, orphanages and Senior Citizens in our care.
- ❖ A tax receipt and certificate will be issued by Helping Western Cape in terms of Section 18A(1)(a) of the Income Tax Act of 1962.
